

Luxury Liveboard and Resort Diving in North Sulawesi and the Lembeh Strait, Indonesia

Worldwide Dive and Sail has teamed up with Eco Divers Resort, Lembeh, to bring you luxury diving trips in North Sulawesi, Indonesia. Our 14 night diving expedition departs from the Lembeh strait to take you to the volcanic Sangihe Islands and Bangka over 7 nights aboard SY Mandarin Siren before returning to Lembeh to dive the wondrous sites of the Strait whilst staying at the Eco-Divers Resort for 7 nights. Marine life ranges from tiny painted frogfish and pygmy pipe horses, ghost pipefish and mimic octopus to schools of jacks and barracuda and white tip, black tip and grey reef sharks are commonly seen.

Mandarin Siren and Eco Divers

Liveboard diving with Mandarin Siren brings you to the dive sites that are too distant for resorts in Lembeh and Bunaken. The northern Sangihe Islands are little visited and offer fantastic diving away from the crowds with a mix of sheer reef walls, volcanic rock and dark sand. Catering to just 6 guests with a crew of 6 we ensure you personalized attention, individual service and diving in small groups on a trip that really caters to your needs. With up to 4 guided dives per day, you can relax in between, enjoy freshly prepared meals and snacks or take a massage from our onboard therapist. Kayaks are included free of charge and may be used whenever weather conditions enable. In the evening relax over a freshly prepared 3 course dinner and enjoy a chilled beer. All meals are served buffet style and our onboard chef is happy to cater to any special requests. The luxury of the Mandarin Siren is that you really get to choose your ideal trip with the flexibility of being in a small group.

Eco Divers Resort, Lembeh, offer their guests “All the Convenience of a Liveaboard; All the Comfort of a Resort.”

After breakfast you will be transferred to the ‘day liveaboard’ Nautica where diving is from two tenders taking groups to a variety of sites within the Lembeh Strait. Groups are a maximum of 4 persons per guide to provide individual service and tailor the diving to your wishes. Relax and enjoy your lunch and snacks onboard during your surface intervals before returning to the resort in the evening for a chilled beer and freshly prepared 3 course dinner. All meals at the resort are a-la-carte with orders taken each morning to ensure great choice and fresh, local produce. Meals aboard Nautica are buffet style. Each of the 4 cottages has 3 spacious double or twin bedrooms with en-suite & air-con, a separate lounge and camera room. Outside is a welcoming and relaxing dining area complete with bar and comfy seating; perfect for reminiscing over the day's diving.
